February 10, 2026

Dear Residents, Families and Visitors:

Due to suspected Norovirus illness, the following units are on Special Precautions:

Building 6:

- **Unit 6-Ground**
- **Unit 6-2**

Building 8:

- **Unit 8-8 (active resident cases)**

Please adhere to Infection Prevention and Control Practices:

- **Hand hygiene- during outbreaks, hands should be washed with soap and water, as hand sanitizer is not effective against Norovirus.**
- **Maintain physical distancing**
- **Face masks are recommended and available upon facility entry and available at the nurses station.**

Also, please review the CDC website for information on COVID-19 and Influenza, including its symptoms, how it spreads, and actions you can take to protect your health. CDC encourages everyone to remain up to date with recommended respiratory vaccines including COVID-19 and Influenza vaccines.

Please contact us with any questions; 610-891-5858.

Sincerely,

The Infection Control Department
